

The Inter-Pacific Bar Association invites you to a special webinar:

Outbound Investment from China into Benelux/Europe - Legal Issues in M&A practice

Chinese and European Business cultures in M&A don't always coincide.
This may result in radical misperceptions

**November 10, 2020 • 9:30-10:45 CET, 16:30-17:45 CST
via Zoom**

Attorneys from the Netherlands (Heussen), Belgium (Monard) and China (Fangben) will each give a 15 minutes introduction from their respective jurisdictions with practical pointers, followed by 30 minutes Q&A. The webinar is primarily geared to attorneys and in-house lawyers from China with a fairly advanced knowledge and experience in M&A, but lawyers from Europe are most welcome to join and contribute to a lively interactive online event.

IPBA President Jack Li will open the webinar to welcome all attendees.
