

**June 26, 2017 - HEUSSEN: Ranked Among in Official Guide to Germany's Top Lawyers for 2017**

This year, US publisher "Best Lawyers" has once again joined forces with German business publication "Handelsblatt" to identify Germany's most renowned lawyers from a variety of law fields.

As a result, HEUSSEN, a full-service commercial law firm with branch offices in Berlin, Frankfurt, Munich and Stuttgart, has been able to further fortify its presence on the list, with its team of legal experts being ranked in the fields of real estate law, IT law, engineering law, public law, public procurement law and arbitration. Joining the ranking list for the first time in the IT law field is HEUSSEN Partner Dr. Markus Junker, as is Dr. Hermann Waldhauser, who has already been ranked in engineering law for years. Meanwhile, HEUSSEN Partners Dr. Norbert Huber and Christian Weidheimer once again make the list in the field of commercial real estate law this year.

Prof. Dr. Benno Heussen, name partner of the law firm, receives mention in the information technology law field as does law firm partner Prof. Renate Dendorfer-Ditges in the field of international arbitrations.

Uwe-Carsten Völlink, law firm partner for public law specializing in public procurement law, once again makes the list of top lawyers as well.

The selection process for the list of top lawyers at "Best Lawyers" involves several stages. The first step is to nominate lawyers for selection in "Best Lawyers". From the nominees, other lawyers listed in the guide then choose among working in the same law field as they do, basing their choice on nominees they would likely recommend from other law offices if scheduling conflicts or conflicts of interest were to prevent them from representing clients themselves.
