

**HEUSSEN Rechtsanwaltsgesellschaft mbH: Legal Support for CIREAS in Real Estate Acquisition**

Sept. 08, 2017: German-based CIREAS GmbH – Consultants in Real Estate and Structuring – has acquired another specialty market of Accom, a leading real estate investor and service provider in Germany, for a local family office. That specialty market is located in the town of Hoyerswerda, Saxony. Accom had put the object in question up for sale as part of a portfolio adjustment. All parties involved agreed not to disclose the actual purchase price. This follows a similar transaction finalized just the summer before, in which CIREAS acquired a specialty market located in the Bavarian resort town of Bad Tölz for another family office.

When purchasing their latest object, CIREAS received expert advice in real estate and corporate law matters from a team of the international corporate law firm HEUSSEN. Heading the team was one of the firm's partners, attorney Christoph Hamm (construction/real estate law). Team members included Alexander Tauber (Senior Lawyer, corp. law), Bernhard Schex (Partner, public law, construction/real estate law) and Nina Klotz-Hörlin (Senior Lawyer, real estate law).

Jürgen Diefenbach, MRICS, Interim Manager and Real Estate Economist at CIREAS GmbH, was in charge of overall management and implementation of the transaction. Consulting services in tax and auditing matters related to the transaction were provided by auditor/tax adviser Günter Handl of aureal GmbH Wirtschaftsprüfungsgesellschaft, a local auditing company.

HEUSSEN and CIREAS have been working together on various real estate transactions for various clients for quite some time now.
